Data Protection

The operators of this website take the protection of your personal data very seriously. Your data will be treated as strictly confidential according to the legal data protection regulations and this Privacy Policy.

The use of our website is usually possible without providing personal data. Personal data, such as names, addresses or e-mail addresses, may be provided on a voluntary basis if possible. Such data will not be passed on to third parties without your explicit permission.

However, we would like to point out that the security of data transmitted via internet (e.g. e-mail communication) cannot be guaranteed and security vulnerabilities may exist. Complete protection of personal details against unauthorized access by third parties is not possible.

Privacy Policy for the use of Google Analytics

This website uses Google Analytics, a website analysis service by Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files that are stored on your computer to analyze your use of the website. The information generated by the cookie about your use of this website (including your IP address) is sent to and stored at a Google server in the USA.

If IP-anonymisation is activated on this website, your IP-address will be shortened prior to transmission within the member states of the European Union or other contractual states of the Treaty on the European Economic Area. Only in exceptional cases your complete IP-address will be transmitted to a server in the USA and shortened there. Commissioned by the operators of this website, Google will use this information to evaluate your use of the website, to compile reports on website activities for website operators and to provide other services related to website and internet activities. Google will not associate your IP address with any other data held by Google.

You may prevent the installation of cookies by adjusting the settings of your browser; however, if you do so, you may be unable to use all features of this website. Further, you may prevent the collection of data generated by cookies and related to the use of this
